- Easter Litany

Praise Team: We thought you were dead. We thought the cross was the end. We thought that when the stone rolled over the tomb, that was it. But this is it:

Congregation: The dead are living; the cross is empty; the stone is rolled, and one word describes it all: Alleluia! Jesus is risen!

Praise Team: We thought you had said your final word. We thought those with the power had won. We thought that when you cried out, that was it. But this is it:

Congregation: The word breathes; the powers are defeated; the final cry was only the beginning, and one word says it all: Alleluia! Jesus is risen!

Praise Team: We thought the story was finished. We thought the hope had ended. We thought that when the tomb was sealed, that was it. But this is it:

Congregation: The story has just begun; the hope is newly born; the tomb is empty, and one word says it all: Alleluia! Jesus is risen!

Praise Team: This is the news:

Congregation: Jesus is risen!

Praise Team: This is the moment:

Congregation: Jesus is alive!

Praise Team: This is the gospel:

Congregation: Jesus is with us!

Praise Team: We thought that when they crucified you, death had defeated life, and that was it. But this is it:

Congregation: Love is stronger than death, and one word says it all: Alleluia! Jesus is risen!
