From the Facility Team - preparation work continues for the relocation of the parsonage; contractors have been secured for moving the house and the foundation work, and volunteers have begun preparation in the parsonage basement for the move. The team will be meeting Monday evening to plan for additional scopes of work. If anyone has interest in items surrounding the perimeter of the parsonage such as landscape grass, deck boards etc. please contact Steve Fopma or Merl Van Zante to confirm they are available and then arrange to remove them - all items claimed will need to be removed by July 23. In late July significant exterior work will be done to prepare for the relocation - the committee will be seeking volunteers to help with some aspects of the work such as brick removal and general physical work - if you would be willing to help with that work please contact Steve, Merl or any of the members of the facility team and we will contact you if and when help is needed.

Next, World Renew DRS will be onsite in Hawarden to meet potential partners and offer our services to help homeowners recover. Please continue to pray for flood survivors in Iowa.
